POLITICAL VOICE

As a Dairy Business Association member, you can support candidates for elected offices through the Dairy Business Association's Conduit Fund or the Keeping the Cows in Wisconsin Political Action Committee (PAC). Both of these funds give our association and the dairy industry a stronger voice in the political process and ensure that legislators with your best interests are elected.

Should I make my contribution to the Keeping the Cows in Wisconsin PAC or the DBA Conduit?

This decision is entirely up to you. Some members prefer to make their contributions to the PAC and leave the decision making up to the organization. Some members prefer to make the contributions to the conduit and direct their money to specific elected officials.

Remember, any contribution you make, whether it is to the PAC or to the conduit, is credited to the Dairy Business Association's goal of fostering a positive dairy business.
